

# All Saints Catholic School

*Providing quality Catholic education in a nurturing and faith-filled environment since 1947*

All Saints Catholic School is an integral part of the All Saints Parish family. The parish has a vested interest in the function and vitality of its school. Therefore, active parishioners qualify for a special rate of tuition.

For the sake of tuition, an active parishioner

- has completed the parish registration form and has a registration number;
- regularly attends Sunday Mass;
- participates in some of the various ministries and programs of the community (i.e. Lectors, St. Vincent de Paul, PTG, CYO); and
- makes regular financial offerings using the Sunday envelopes.

Such qualifications must be established at least six months prior to school registration for a family to be eligible for the active parishioner tuition rate. [Please note: If requested, an application for a change of status from non-active to active may be made in December of the first year a student is enrolled in the school.]

For the sake of clarity, non-active membership applies to those who do not fit the above qualifications (although they may be active in their own parish).

*Tuition assistance may be available for qualifying families.*
