

# Keyboard Class Registration Fall 2008

Grades 2nd-8th  
Welcome

*Bay Area Schools*

The M.U.S.E. Program provides small group lessons to students in 2nd through 8th grade. The curriculum of each class varies by grade-level and abilities of each student. The goal of the teachers is to create a stimulating and enjoyable environment in which students can experience playing the piano both individually as well as in a group setting. This is a great way to introduce your child to the piano at a very reasonable cost. The M.U.S.E. Instrumental Program has been offering quality instruction for over 20 years. We have a great staff that will make learning the piano fun!!! Classes are conducted at school (see website for a schedule of classes).

**Cost:** Tuition averages \$48.00 per month which is about half of what private lessons cost. The only payment we need to receive from you if you are preregistering is a \$48.00 deposit which reserves you a spot for the fall. The deposit will be applied toward your first billing-see below. This deposit is fully refundable through September 30 if you decide to change your mind.

If you want more information see our website or give us a call. Visa, Mastercard, and American Express is accepted. Instrument rental is separate from tuition (see website). Piano students do need a piano or an inexpensive electric keyboard to practice with at home. If you do not have one, M.U.S.E. will help you with this. By registering now you will receive advance information about your school's program. This also helps us plan and schedule classes. Classes can fill up fast so we recommend signing up as soon as possible. Classes are held at school and start in September. For class schedules, see our website or give us a call. Class schedules are subject to change.

Go to: **www.museband.com** and our "New Parents Page" for more details including school schedules.
